1. The Rumanian authorities have ordered the organization of "spontaneous" demonstrations in favor of Northern Korea in all parts of the country.
2. Appeals are being made to young men to volunteer to fight "for liberation of Korea from the yoke of the American invader." Recruiting commissions have been created to enroll such volunteers. High pay has been promised to their families. It is believed that these payments will be made from the World Peace Fund (Fondul Mondial al Pacii).
3. Communist appeals for volunteers and promises of financial reward have had very little effect on the population up to the present time.
